### What's an entrepreneur?

An entrepreneur (on-trah-preh-nyur) is a person who sees a way to earn some money by solving a particular problem.

For example, lots of kids have learned that thirsty people on hot days will pay for a cold glass of lemonade.

### Entrepreneurial Thinking

Can you see the job opportunity in each of these pictures? Look at each picture. What problems do you see here? What kind of help might they be willing to pay for?

What kind of help might they be willing to pay for?

Standards Link: Economics: Students know that entrepreneurs are people who use resources to produce innovative goods and services they hope people will buy.

### Who wants to make money?

One way to make money is to get a job. But that is not possible for everyone. Often times kids can't get jobs because they are too young.

But that hasn't stopped kids around the world from finding clever ways of earning some cash. Some kids, like Jason, turn doing something they love into a way of earning money.

Look at each of the following pictures. Write down ways a business you could start might be able to help.
