The Daily Astorian

Youth mentors Debra and Douglas Kaup, in the Fort Clatsop District of the Cascade Pacific Council, Boy Scouts of America, were presented the Silver Beaver volunteerism award at a special recognition ceremony in their honor. This is the top award a local Boy Scout council can bestow upon a volunteer mentor.

Debra Kaup serves as the assistant scoutmaster for Troop 509. She has also been very active within the Order of the Arrow since 2008, serving in several capacities, earning the Centennial Award, the Silver Hodag Award for her work maintaining the council's Scout camps, and receiving her Vigil Honor in 2015. She also served as the District Friends of Scouting community assistant from 2012 to 2013.

She was a member of several Coast Guard Spouses' Associations, helping needy

Over the past 16 years he has held positions in the Oregon Trail Council, Bay Area Council (Galveston, Texas) and Marin Council (Novato, California). He has also held positions within the Order of the Arrow. In 2013,

he served on the climbing staff at the first National Jamboree held at the Summit Bechtel Reserve. He also earned the Gold Hodag Award for his work improving the council's camps.

As a Coast Guard helicopter pilot, he rescued a stranded fisherman off the Oregon coast, for which he was awarded the Coast Guard Helicopter Rescue Award, given to one Coast Guard pilot each year. A highly decorated officer, his many awards include two Air Medals.

The Daily Astorian

SEASIDE — The American Association of University Women, Seaside branch, has announced that the recipient of its 2016 scholarship for \$2,000 is Laura Terrill, a first-year full-time nursing student pursuing an associate of applied science degree in nursing at Clatsop Community College.

Terrill has a part-time job while maintaining a 3.5 GPA. Her ultimate goal is to be a nurse in the U.S. Navy and travel the world. She has worked as an emergency medical technician at a Boy Scouts of America summer camp, been a caregiver in a memory care unit, and a volunteer on an ambulance.

Astoria Ford's Drive One 4UR School raises \$5,580 for Astoria High School Athletics

In April, Astoria Ford partnered with Astoria High School for a fundraising event as part of Ford Motor Company's Drive One 4 UR School program. In this one-day event, community members raise funds by test driving a new Ford vehicle. Each test drive raises \$20 for Astoria High School Athletics. In all, 279 community members helped raise \$5,580 during this year's program. This marks the second-highest net of the Drive One program with Astoria Ford.

"The Drive One program has been a huge asset to Astoria High Athletics," AHS Athletic Director Howard Rub said. "The funds raised through these events not only help us to continue to offer all of our current programs,
