Walk or run 4 miles or half-marathon course on July 2

ASTORIA — Lewis and Clark National Historical Park will host the second race in its trail run series on July 2.

The Lewis & Clark Trail Series includes several different exhilarating events along beautiful trails through forest landscapes, complete with a friendly race atmosphere. All events are open to walkers and runners of all ages and provide the opportunity to experience the North Coast the way people have done it for thousands of years — on footpaths.

This second event in the Lewis & Clark Trail Series on July 2 offers two courses. Come for either an approximately 4-mile walk/run or run a half-marathon course along a variety of the park's trails. Both courses will include some long hilly sections. The routes are not accessible for most wheelchairs or strollers. No pets are allowed.
