Saying there is a “whole lot more” to Craig Morgan is an understatement. The multi-faceted Renaissance man proves it on his upcoming new studio album, aptly titled *A Whole Lot More To Me*, a record that furthers Morgan’s reputation as one of the genre’s most commanding vocalists.

While his singing on such hits as the multi-week Number One “That’s What I Love About Sunday,” “International Harvester,” “Bonfire,” “This Ole Boy” and “Wake Up Lovin’ You” was exemplary, Morgan has somehow found a new level and vocal range in the studio. On his forthcoming LP, his third with label home Black River Entertainment, he’s making the most relevant, authentic and moving music of his career. It’s a point that “When I’m Gone” drives home, as Morgan sings about living life with no regrets.

Welcome to the 2016 Clatsop County Fair

Thanks to the volunteers and Fair Board members for making it all possible! Please support the 4-H FFA members and the Clatsop County Junior Market Auction.
