

Proud to provide energy solutions for Clatsop County.

After more than 100 years of serving the north coast, you can count on us to help you save time and money with solutions such as:

- Services and incentives for equipment upgrades that boost energy efficiency
- Online tools to help you manage your account and make informed energy decisions
- Free mobile app for reporting outages and more
- Renewable energy sources and options

It's our pleasure to serve you. Find out more at pacificpower.net.
