THE NORTH COAST'S BUSINESS GUIDE • 2016

CHARTING THE NEWCOMERS AND BUSINESS PIONEERS OF OUR REGION

Being editor and publisher of The Daily Astorian for 28 years, I have met a lot of people and watched a lot of history go by. The changes in our business community over those three decades have been profound.

Those of us still in business have assuredly adopted new technology. And the demography of Clatsop County also has changed over 30 years.

Through it all, this publication has documented a large part of our communities. It is an illustrated guide to the business sector of Clatsop County.

As I prepare for retirement from this position, I remain fascinated at the proprietors and employees who keep the wheels turning at a broad spectrum of small- and medium-sized enterprises. You are our lifeblood. I salute you.
