# City Lumber

Founded 1904

**YOUR PROJECT HEADQUARTERS!**

**112 years**

**"We're more than a lumber yard"**

Founded in 1904, City Lumber is Oregon's oldest lumber yard and was known as City Lumber and Box Company. Located downtown at 198 12th Street, City Lumber provided materials for the building industry and boxes for the seafood industry along the waterfront.

City Lumber moved to the foot of 9th Street in the 1920's. In the 1930's, with our name changed to City Lumber and Supply Co., we opened a lumberyard at 2142 Commercial, our present location. Early in the 1950's all of our operations were consolidated at our Commercial Street location. Our business has grown to include selling not only building materials like lumber, plywood, moldings, doors, windows and roofing, to selling plumbing and electrical supplies, paint, wallpaper, light fixtures and lawn and garden items.

We'd like to thank our customers and our faithful and loyal employees who have made City Lumber the business it is today. Community service has been City Lumber's hallmark for the last 112 years and will continue for the next 112 years.
