

RICKENBACH CONSTRUCTION INCORPORATED

Rickenbach Construction was started by John Rickenbach in Astoria in 1965.

For over 50 years, Rickenbach Construction has worked to become one of the Pacific North Coast's foremost commercial general contractors including restoration, historical renovation, design/build, seismic, structural and other upgrades, custom commercial and residential construction.

Rickenbach Construction will effectively meet the challenge of keeping historical authenticity, assuring weather protection and structural stability, and maximizing the changing functionality of buildings in our community. We have completed projects in three Northwest Oregon Counties and Southwest Washington including numerous new buildings, additions, remodels and restorations.

As a family-owned business, Jared Rickenbach, president; Michelle Dieffenbach, architect; along with John and Diane Rickenbach, have established the company's reputation for honesty, dependability, teamwork, problem solving, quality craftsmanship, schedule and project management.

Rickenbach Construction, Inc., is committed to building your trust first.

A Family Tradition CANNON BEACH BAKERY

Home of World Famous Haystack Bread
Dan and Robin Christensen have been baking for nearly 48 years and are continuing their family traditions in Cannon Beach, Oregon.

Beginning the trade at the age of 12, Dan is a third-generation baker, with deep family roots in Denmark. These Danish family traditions are still in use at Cannon Beach Bakery today. The Danish is handmade and everything is made from family recipes with no trans fats.

The star item at Cannon Beach Bakery is our famous Haystack Bread. Traced back to a formula nearly 52 years old, the crusty loaves are known up and down the coast for their outstanding taste. Each loaf is hand-prepared start to finish just as it was in the early 1960's.

In 2004 they moved to their new location at 240 N. Hemlock, still in downtown Cannon Beach. With a total of 90 years combined, Dan and Robin pride themselves in offering deli sandwiches made from their own fresh baked breads, homemade soups, authentic danish pastries, wedding cakes and all occasion cakes made to order and many other favorites including the famous poppy seed cake. New menu items include quiche, cheese sticks and ham & cheese croissants. Stop by today and see for yourself. Enjoy!
