Helping Lower Columbia residents grow beautiful gardens & healthy animals.

**SINCE 1986, BRIM'S FARM & GARDEN** has been serving the Lower Columbia region with Purina Feeds, veterinary and grooming supplies as well as a year-round garden center. The Brim family takes great pride in offering smart choices for local gardens as well as quality foods for all pets and livestock. Organic pest controls and soil amendments are the first choice when customers request solutions to local garden challenges. Fencing, horse tack and horse-quality hay is also available year round. We appreciate your friendship and business over the past 30 years and look forward to serving our community well into the future.

**WORKING HARD FOR OREGON FAMILIES AND BUSINESSES SINCE 2004**

I started in public service as a volunteer for several political and issues campaigns when I was in college in the 1960s and 70s, including the Equal Rights Amendment. In 1974 I moved to Clatsop County where I served on several local boards and commissions including the Union Health District (Seaside Hospital board), Clatsop Soil & Water Conservation District, HeadStart Policy Council, and I was the coordinator for the Necanicum Watershed Council for 6 years. In addition, I worked on Congressman AuCoin's Clatsop County campaigns for several terms as well as the campaigns for our local Democrats. Then in 1986 when a seat came up on the Clatsop County Commission I ran for and won it.

In 1986 the county changed its form of government to Home Rule and my commission seat became an unpaid position. I served for two years before going to Salem to work as Sen. Dukes' assistant which became the first of my 16 years as a Legislative Assistant to seven different legislators. In August of 2004 I was appointed to fill out the unexpired term of Rep. Elaine Hopson. I won the seat in the November 2004 election and have served for six terms representing House District 32 since 2004.
