Emerald Heights Apartments was purchased by the Smith family in 1992. Emerald Heights was initially Navy and Coast Guard housing. The Smith's have been rehabilitating all buildings on the property, including new windows, roofing, carpeting, stoves and refrigerators. Each building has its own coin-operated laundry facility. Electricity, gas, water, sewer, and garbage are included with rent.

The property is extremely clean and well maintained.

Comfortable, affordable, country living at its best!

Oregon State's newest teaching and outreach model — the Marine Studies Initiative — addresses ocean health issues with far-reaching impacts for our oceans, students, communities and partners.

Together we can maintain this vital resource for generations to come.
