T. Paul's

Supper Club
lunch, dinner & in between

In 2000, the dynamic duo of native Astorians Teona (T) Dawson and Paul (P) Flues II began their partnership by opening T. Paul's Urban Cafe, winner of the Coast Weekend Readers Choice Awards for #1 Lunch Spot on the north coast for 14 years running.

In 2009, they followed up by opening the ever popular T. Paul's Supper Club, embracing their motto "Eat Well, Laugh Often, and Love Much." Supported by a loyal following, they have garnered local, regional and national recognition in recent years. Their goal has always been to treat guests as family, and it shows.

Taking care of locals first, being consistent with excellent customer service ("no" isn't an option), serving local and regional seafood and all natural meats has served them well. Both venues offer lunch and dinner and serve distinctly different and affordable menus, which are available on their websites.

The glory goes to their terrific crew members, some of whom have been with them from day one.

Donna Flues (Paul's mother and T's grandmother) or "Grandma" as she is known to the staff, has been baking up great desserts and chowder since 2000.

Giving back to the community is the core of our business, whether supporting local schools, kids programs, human equality, wildlife recovery, and especially our annual Community Christmas Day Dinner. We thank our guests, friends, and family for their great support.

GEARHART IRONWERKS | **Beach Books**

John with Gearhart Ironwerks has his shop and showroom, located in Gearhart, Oregon. It is a fully functional metalworking and blacksmithing shop with artisans working daily. His preference is to concentrate on the quality of individual pieces rather than production. Each piece is unique and hand made and unlike many things today, they are meant to last a lifetime. Recently John has taken up the art of bladesmithing, creating beautiful damascus knives.

Karen at Beach Books has a beautiful, unique book store in the heart of Seaside's Historic Downtown Gilbert District. She offers a great selection of fiction, non-fiction children's literature, home, garden cooking, local authors, greeting cards, and journals. Join in for her Events in the Loft where you can meet the authors.

Thank you for considering Gearhart Ironwerks and Beach Book and shopping local.
