A Customer First

Budget Blinds of the Oregon Coast and Southwest Washington has proudly been serving the community for 10 years! In 2006, Madelyn and Randy Harris recognized the need for a full-service window covering company on the coast. After spending many weekends at the coast, traveling from their home in Seattle, they found themselves thinking about how they could make the coast their home. Serving customers with quality products and excellent customer service had been the key to their success in their previous careers in the high tech industry. They didn't realize that after working with Budget Blinds as a customer, on two separate occasions, that they would become part of the Budget Blinds family of franchisees.

Over 1,000

Budget Blinds has over 1,000 franchise locations offering the best products from leading window covering manufacturers with competitive prices matching or beating the big box stores. Budget Blinds provides complete measuring and installation services backed by the exclusive Budget Blinds 5 Year No Questions Asked Warranty.

When it comes home improvement projects, nothing is more frustrating than discovering the color isn't quite right or the size doesn't measure up when you install a product. Budget Blinds eliminates the guesswork by bringing a variety of samples directly to the customer's home or business in order to find the best possible solution.

Residential and Commercial

Another element that makes Budget Blinds unique is the ability to serve commercial clients with Budget Blinds Commercial Solutions (BBCS) products. Whether a client is seeking child-safe, environmentally friendly, energy efficient or fire retardant window coverings, BBCS has the right solution. From various types of businesses, restaurants, retail stores, hospitals, medical offices, retirement facilities, hotels, schools and many more, Budget Blinds provides quality window treatments to any type of business or institution.

Whether you need a little guidance finding and ordering products you love or you need an expert opinion on what will look and perform best in your home or business, the professionals at Budget Blinds can help.

Budget Blinds proudly serves local homeowners and businesses by offering complimentary consultations, professional measuring and precise installation services. Budget Blinds only partners with the most reputable manufacturing companies to offer a rich selection of quality window coverings that include shutters, blinds, shades and draperies.

It's all about meeting the needs of residential and commercial customers by providing exceptional products and services at a competitive price. And of course, the best warranty in the industry.

Recognized Leader

Budget Blinds has been recognized as a leader in the franchise industry by organizations such as Entrepreneur, AllBusiness, Inc. and Franchise Business Review. The company has also been featured in popular network television shows including Undercover Boss, Designing Spaces and George to the Rescue.
