

A history you can count on.
A future you can grow with.

At Columbia Memorial Hospital, we are honored that for 136 years, so many have chosen us to provide their healthcare needs. While we honor our past and serve in the present, we are always looking to the future.

CMH is committed to growing its services, quality and technology. We are excited about our expanding collaboration with Oregon Health & Science University (OHSU) in Surgery, Cancer Care, Cardiology, and Emergency Medicine. We are striving to bring the best possible healthcare and treatments home to the Lower Columbia region.
