## CHIP-in, clean up the Astoria Riverwalk

ASTORIA — Astoria Parks and Recreation's Citizen's Helping Improve Parks (CHIP-in) program will host its next cleanup on the Astoria Riverwalk.

Volunteers should meet on the Riverwalk at 39th Street from 1 to 4 p.m. Saturday, Aug. 20. Volunteers will pick up trash and cut back overgrown brush along the Riverwalk east of 39th Street and along the LaPlante Loop into the Alderbrook neighborhood.

For this event, CHIP-in is partnering with Columbia Riverkeeper, an environmental

advocacy group, in its third annual Love Your Columbia event.

Love Your Columbia is a one-day statewide event organized by Columbia Riverkeeper that features community river cleanups, invasive species eradication, and restoration projects in local communities along the Columbia River and its watershed, including in Astoria, Portland and Hood River.

The Columbia River is the largest river in the Pacific Northwest and the fourth

largest in the United States. The purpose of Love Your Columbia is to highlight the issues surrounding the river by increasing public awareness, working to restore its health and encouraging stewardship along the river.

Volunteers are asked to bring work gloves, weed whackers and hand pruners if they have them. Dress for the work and the weather.

For more information, visit Astoria Parks & Rec's Facebook page or contact Randy Bohrer at call 971-704-4812.
