

# Roley receives mentorship award

The Daily Astorian

SEASIDE — Sheila Roley, the superintendent of Seaside School District and former principal of Seaside High School, was chosen to receive the Bev Gladder Mentorship Award at the annual Confederation of Oregon School Administrators (COSA) conference, held at the

Seaside Civic & Convention Center in June.

Recipients of the award are recognized for being committed to mentoring and supporting more than one new or aspiring school administrator, and for their exemplary leadership, ethics and professionalism.

Roley has mentored administrators on the North Coast for many years,

including administrators in the Seaside, Warrenton, Knappa and Jewell School districts. She has organized a county-wide administrators' book study on leadership books, and has organized county-wide monthly administrator gatherings so administrators in smaller districts could have camaraderie, support and a listening ear.
