We have benefitted from working with Rosalie both as buyers and sellers.

Why?

Rosalie is honest, experienced, professional, dedicated, connected, smart, responsive, energetic, and easy to work with! She does the extras that make things go as smoothly as possible, and is very available when you need her. Rosalie balanced both of our interests in the transactions, and guided us to better options even with our extensive backgrounds in real estate. She's a strong negotiator, and clearly brings everything you need to the table. We recommend her to any seller or buyer.
