

Phy's Mysterious Optical Illusions Page

Rita, I found a whole bunch of cool optical illusions! Can you solve this riddle with them?

To solve the riddle, you need to study the optical illusions on this page. Use a ruler to find the correct answer to each optical illusion question. Match the letter that corresponds with each correct answer with the number in the code that spells out the answer to the riddle below. (For example, if the correct answer to #1 is **C. Bent**, then put a **C** above the number **1**.)
