

# WHS alumna to sing charity concert Saturday

WARRENTON — Warrenton High School and Hits 94.3 FM will host WHS alumna and singer Shaena Stabler for an all-ages charity concert Saturday, Sept. 24 at the high school.

Stabler was the 2002 Warrenton High School valedictorian, a basketball player, and an all-state catcher on the softball team. From Warrenton she went to Colgate University in New York, where she majored in history with a minor in film and media studies. She now lives in Laguna Beach, California, where she co-owns the online newspaper Stu News Laguna.

Stabler launched her music career in 2014, releasing her debut album, "Stay," with the production help of Grammy Award winner Ken Caillat. Her new EP "Out of the Darkness" comes out soon.

The night of the concert starts at 4 p.m. with a meet-and-greet, sound check and dinner with Stabler and her band for VIP ticket holders.

WHS grad Shaena Stabler will perform in concert Sept. 24.

Doors open for general admission at 6 p.m., and the concert will begin at 7 p.m.

VIP tickets are \$50 each. General admission tickets are \$15 each in advance or \$20 at the door. All proceeds raised will go to Warrenton High School. Tickets are available at [warrentoncharityconcert.brownpapertickets.com](http://warrentoncharityconcert.brownpapertickets.com)

Warrenton High School is located at 1700 S. Main St.

# Scramble for health at Netul Landing

Lewis and Clark National Historical Park holds 5K, 10K

ASTORIA — Lewis and Clark National Historical Park will host the seventh annual South Slough Scramble at 9 a.m. Sunday, Sept. 25

Come for either an approximately 5K walk/run or a roughly 10K run along the park's trails. Both loops will take participants along the ups and downs of the South Slough Trail, into the coastal hills, and along the Lewis and Clark River. The routes cross a number of scenic boardwalks and bridges and are not accessible for most wheelchairs or strollers. No pets are allowed.

Registration is from 8 a.m. to 8:45 a.m. at the start/finish line at Netul Landing, located approximately 1.5 miles south of Fort Clatsop. Participants younger than 18 must have their registration signed by a parent or guardian.

All 5K and 10K participants will get a finisher's medal. There will also be a safety and health fair along with prize drawings.

Participants of all ages are invited to take part in the South Slough Scramble.

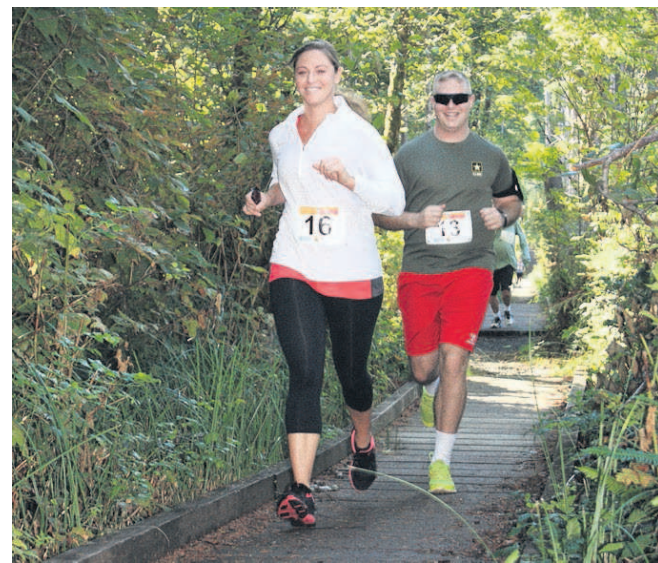

This third and final event in the 2016 Lewis & Clark Trail Series is sponsored by the Lewis & Clark National Park Association, Providence Seaside Hospital, and Sunset Empire Parks & Recreation District.

The park is open daily from 9 a.m. to 5 p.m. The National Park Service is celebrating its centennial throughout 2016.

For more information, call the park at 503-861-2471, visit [www.nps.gov/lewi](http://www.nps.gov/lewi) or find the park on Facebook.

The race's route follows the South Slough Trail, into the coastal hills, and along the Lewis and Clark River.

# Master gardeners hold final summer plant clinic

Find peony roots for sale Sept. 24

ILWACO, Wash. — The Washington State University Master Gardeners of Pacific County will hold their final summer plant diagnostic clinic at the Columbia Pacific Heritage Museum. The plant clinic will be held from 10 a.m. to 1 p.m. Saturday, Sept. 24 at the museum's Discovery Garden.

Master gardeners will be present to address plant questions and concerns. The

Discovery Garden is located behind the museum's parking lot at 115 S.W. Lake St. Bring samples of your plant problem if you can.

In addition, a variety of peony roots will be available for sale, just in time for fall planting ahead of next year's springtime blooms. Add color to your garden with these hardy, dependable shrubs. Varieties such as raspberry sundae and Hawaiian pink coral will be available.

The WSU Extension also supports two websites that

can help you diagnose your own plant problems.

Hortsense ([hortsense.cahnr.wsu.edu](http://hortsense.cahnr.wsu.edu)) contains fact sheets for the home gardener to manage plant problems using Integrated Pest Management. Pest-sense ([pestsense.cahnr.wsu.edu](http://pestsense.cahnr.wsu.edu)) contains fact sheets for managing common indoor pest problems with Integrated Pest Management.
