Great first car! Needs a new battery, oil change and other minor things under the hood otherwise runs great. Passenger window will roll down but not back up. Sun roof does work. There is some damage to the body on the passenger door. Only 2 owners. We have had it for 3 years and hardly drove it. Previous owners had a leak in windshield that shorted the wires in the stereo. We had a new windshield put in but have not got around to replacing the wires for the stereo. Car is being sold as is. **\$1900.** 503-298-3688
