MEET THE CHIEF JOE KACZENSKI

Chief Joe Kaczinski is a 16 year career Firefighter for the Hillsboro Fire Department and is currently Hillsboro Fires acting Lieutenant. He is a State Certified Emergency Medical Responder "Intermediate" (EMT I). His vast experience and ability to lead effectively has been apparent to his fellow volunteer Firefighters since he joined Mist-Birkenfeld as a volunteer in 2001.

While being dually appointed for the next two years as a Firefighter for Hillsboro Fire and as Fire Chief for MBRFPD, Chief Joe will be very busy but he is up for the challenge.

Wauna Credit Union offers our Deepest
Gratitude to our area Firefighters for their
Bravery, Strength, & Dedication!

*Our only mission is to provide opportunities for
our members to build their financial well-being.*
