

# Grumpy Cat counts down to the new year with top pet peeves

By LEANNE ITALIE  
Associated Press

NEW YORK — Grumpy Cat's got a message just in time for the holidays and she doesn't care how you feel about it.

In vintage David Letterman style, the grumpster has posted her Top 10 pet peeves on her new blog at Pawcul-

ture.com, but absent is the multimillion-dollar thing that might just annoy her the most: money talk.

As in, exactly how many truckloads of Benjamins is that cat worth these days, what with gobs of licensed products, endorsement deals and other projects stuffed into her short four years on the planet?

Her human, Tabatha Bunden-

desen, wouldn't say or even come close to providing a ballpark. She has, in the past, debunked the idea that the Friskies-brand ambassador is now a \$100 million sensation. "Every day is still kind of a pinch me moment," Tabatha summed up.

The tiny and extremely melow cat's other human, Bunden-

desen, wouldn't say or even come close to providing a ballpark. She has, in the past, debunked the idea that the Friskies-brand ambassador is now a \$100 million sensation.

So about those pet peeves. Among them:

• "If one more person tells me to smile, I'm going to lose it."

Grumpy's permanent frown has to do with a condition she

was born with, feline dwarfism. So get over it.

• "I have had it up to here with the social media. I don't want friends in real life. What makes you think I'd want them on a computer?"

Yeah, so forget those 1.9 million followers on Instagram and 10 million on Facebook.

We feel you on that one, Grumpy.
