

Charter donates to Community Action Team

The Daily Astorian

Community Action Team (CAT) recently received a \$1,500 donation from Charter Communications to support the work the nonprofit agency does in Clatsop County. Charter is also doing what they can to support those who are financially disadvantaged by introducing a new affordable high-speed broadband Internet service called Spectrum Internet Assist.

The funds Charter donated will be used in the Lend A Hand program, that provides minor home repairs and necessary accessibility upgrades.

These projects increase livability and safety for seniors, disabled persons and veterans who do not have the financial capacity to complete the repairs or upgrades on their own. The program serves both homeowners and renters.

CAT also provides many other important services in Clatsop County: foreclosure prevention, weatherization, energy education, housing rehabilitation, help with first-time home buying, Head Start and Healthy Families.

For information, call 503-325-8098 or go to <http://cat-team.org>

Kiwanis and Job Corps class partner to sell holiday trees

Submitted Photo

The Astoria Kiwanis Club has been selling Christmas trees at Safeway for 11 years. The building construction technology class at Tongue Point Job Corps Center has assisted the club for the past six years by constructing and dismantling the tree stands in the Safeway parking lot. Pictured, the crew as they were taking down the stands on Dec. 13. Kiwanis appreciates the support and partnership with TPJCC, and the support of the community. Proceeds from the tree sales benefit local children.

Warrenton TOPS donates to food bank

Submitted Photo

The Warrenton Chapter of Take Off Pounds Sensibly held a food drive among their members, and collected over 60 food items and raised \$110, all of which is being donated to the Warrenton Food Pantry.
