

Eight volunteers join CASA

The Daily Astorian

The Clatsop Court Appointed Special Advocate (CASA) Program has announced that on Dec. 15, eight new CASA volunteers joined 40 other volunteers in serving abused and neglected children in the Clatsop County child welfare system.

Judge Paula Brownhill conducted the swearing-in of the volunteers, who have undergone nearly 40 hours of training in order to be able to effectively advocate for maltreated children. CASA volunteers speak solely for a child's best

interest, as they make informed recommendations to the court and advocate for services for children who are in the child welfare system, and work to achieve a safe, permanent and loving home for each child, as soon as possible.

With current volunteers serving over 100 children each year, there is still a waiting list of children who need CASAs. A volunteer training class will take place in March, and individual study may be available sooner. Those who are interested can contact Chelsea Bergman or Ann Lederer by calling 503-338-6063, emailing casa@clatsopcasa.org, or going to www.clatsop-casa.org

AB6068 PUBLIC NOTICE

Notice of Proposed Rule: Establishment of a Nonessential Experimental Population of the Oregon Silverspot Butterfly in Northwest Oregon.

The U.S. Fish and Wildlife Service (Service), with the support of the State of Oregon Parks and Recreation Department, proposes to establish a nonessential experimental population (NEP) of the Oregon silverspot butterfly (Speyeria zerene hippolyta), a threatened species, under the authority of section 10(j) of the Endangered Species Act of 1973, as amended. This proposed rule provides a plan for reintroducing the Oregon silverspot butterfly into portions of the subspecies' historical range at two sites in northwestern Oregon: Saddle Mountain State Natural Area (SNA) in Clatsop County, and Nestucca Bay National Wildlife Refuge (NWR) in Tillamook County. It would also provide for allowable legal incidental taking of the Oregon silverspot butterfly within the defined NEP areas. The NEP will contribute to recovery goals for the Oregon silverspot butterfly by increasing the numbers of populations and increasing the species' current range. The flexibility that comes with the NEP designation provides landowners with assurances that restrictions on land use or other activities will not result from the reintroduction.

The proposed rule published in the Federal Register on December 23, 2016.

This proposed rule is available on http://www.regulations.gov under Docket No. FWS-R1-ES-2016-0102. In addition, the supporting file for this proposed rule will be available for public inspection, by appointment, during normal business hours, at the Newport Field Office, 2127 SE Marine Science Drive, Newport, OR 97365; telephone 541-867-4558. For further information contact Laura Todd, Newport Field Supervisor. Persons who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1-800-877-8339.

All comments must be submitted either to the Federal eRulemaking portal at: http://www.regulations.gov by following the instructions for submitting comments or, by U.S. mail or hand-delivery, to: Public Comments Processing, Attn: FWS-R1-ES-2016-0102; Division of Policy, Performance, and Management Programs; U.S. Fish and Wildlife Service, MS; BPHC; 5275 Leesburg Pike; Falls Church, VA 22041-3803. The Service will not accept e-mail or faxes. The Service will post all comments on http://www.regulations.gov. This generally means any personal information provided in your comments will be posted.

Comments and materials from all interested persons or organizations must be received on or before February 21, 2017. Written requests for a public hearing must be received by February 6, 2017.
