

A white boat named "Shwyer" with registration "WN 9311 NY" is decorated with colorful Christmas lights and displayed on a trailer at night. The boat is illuminated by a string of multi-colored lights along its top edge and around the cabin. The name "Shwyer" is written in cursive on the side, and "WN 9311 NY" is printed in block letters. The boat is on a dark trailer, and the scene is reflected in the wet pavement. In the background, a building with yellow siding and another boat are visible, also decorated with lights.

A photograph of a two-story house at night, illuminated by large, glowing star-shaped light displays on the front facade. The house has a gabled roof and a chimney. The stars are made of many small lights, creating a bright, warm glow. The house is surrounded by dark foliage, and the overall scene is festive and celebratory.
