AB6126 Notice of Planning Commission Public Hearing

Dn Tuesday, February 7, 2017, at 7:00 p.m., a hearing will be held by the Seaside Planning Commission at Seaside City Hall, 989 Broadway They will be reviewing the following request: **16-069ZC-** A request by Sierra Partners IV - James Folk for a zone

change at 2145 N Wahanna Rd. (T6 R10 15AB TL: 201). The proposal will rezone the upland suburban residential (SR) zoned portions of the subject property (approximately 2.5 acres of the 3.75 acres parcel) to high density residential (R-3). This would allow urban density residential development in conjunction with annexation of the property that is within Seaside's current urban growth boundary.

n addition to complying with the provisions in the Comprehensive Plan the review will be conducted in accordance with Article 9 and Article 10 of the Seaside Zoning Ordinance, which establishes the review criteria and procedures for a zone change.

and procedures for a zone change. **17-002SUB**: A subdivision request by Nordoff Pacific Capitol, LLC. The subject property is located at the northwest corner of Wahanna Road and Avenue S (T6, R10, S22C, TL# 800 & 801) and it is zoned Medium Density Residential (R2) and Aquatic Natural (A1). The applicant is seeking a tentative plat approval for a three phase residential subdivision that would ultimately create 45 lots. A 58 lot preliminary plat was previously approved for this site (06-005SUB); and although it was partially constructed, the infrastructure was never completed completed

The review will be conducted in accordance with Article 10.070 of the Seaside Zoning Ordinance and Section 5 of the City's Subdivision & Land Partition Ordinance. These documents establish the review criteria and procedures for a subdivision.

7-003CU: A conditional use request by Baysinger Architects, Pau Reed, that will allow the expansion of the existing amusement arcade and the addition of a second floor laser tag area within the Carouse Mall. The property is located at 300 Broadway (T6, R10, 21AB TL

12700) and is zoned resort commercial (C-2). The review will be conducted in accordance with Article 6 and Article 10 of the Seaside Zoning Ordinance that establishes the review criteria and procedures applicable to the request.

copy of the application, applicable criteria, documents, and evidence relied upon by the applicant are available for review at no charge Likewise, a staff report will be available for inspection 7 days prior to the hearing. These materials can be reviewed at the Community Development Department, 1387 Avenue U in Seaside. Copies of these materials will be provided at a reasonable cost.

All interested persons are invited to attend the meeting and submit ora testimony in favor or in opposition to the request. During the hearing individuals that wish to offer testimony will be called to a microphone by the Chairman of the Planning Commission and asked to state thei name and address for the record before they testify.

Vritten testimony is also welcome but should be submitted by 5:00 p.m on the Tuesday preceding the hearing in order to be included with the information sent to the Planning Commission. Written testimony received after this date will be submitted to the Planning Commission at the time of the hearing. Comments may be delivered to the Community Development Department located at 1387 Avenue U or

mailed to 989 Broadway, Seaside, Oregon 97138. ailure to raise an issue at the meeting, in person, or in writing, or failure to provide sufficient details to afford the Planning Commission and the applicant an opportunity to respond to the issue precludes appeal to the Land Use Board of Appeals on that issue.

After the Planning Commission completes their review they will make a final decision; however, on the zone change, they will make a forma recommendation to the City Council and the Council will make the fina decision after holding an additional public hearing. or more information, contact Seaside Planning Director Kevin Cupple

at 738-7100.
