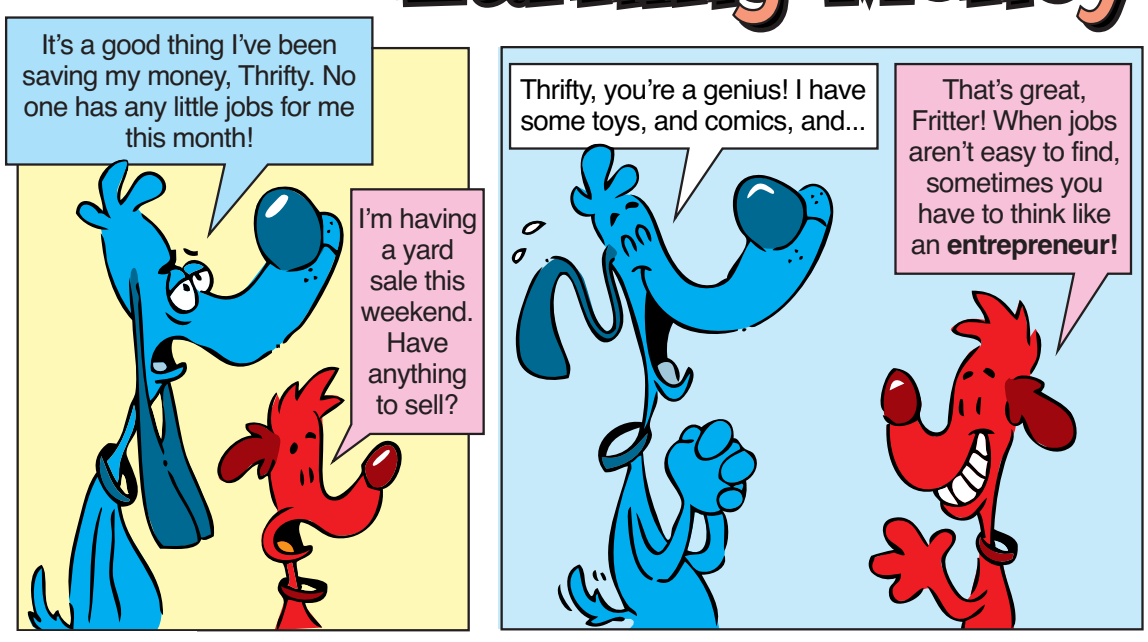
Thrifty & Fritter™ in Earning Money



Think Like an Entrepreneur

Write out a business idea for each of the problems below.

Your neighbors are going on a two week vacation. They have two cats and a large fish tank.

An elderly neighbor has a hard time getting to the store. She also has lots of leaves and weeds in her yard.

You hear neighbors complaining about how much they dislike washing their windows and other weekend chores.

What is an entrepreneur?

An **entrepreneur** (pro-nounced ***on-treh-preh-noor***) is a person who sees a way to earn some money by solving a problem.

For example, lots of kids have learned that thirsty people on hot days will pay for a cold glass of lemonade.

Family Talk

Talk to your family members about ways that you can earn a little money doing special chores or by gathering items for a yard sale. Do they have other ideas?

Are you a whiz with computers, tablets and other electronics? Some adults would happily pay to get a little extra help with these things!

It All Starts Adding Up!

One way to make money is to get a job. But that is not possible for everyone. Oftentimes, kids can't get jobs because they are too young to work.

But that hasn't stopped kids around the world from finding clever ways of earning some cash by becoming entrepreneurs. It takes some creativity and patience, but you can be an entrepreneur, too!

Draw a line to match each puzzle piece.
