## California Guitar Trio to play concert in Astoria

ASTORIA — As part of its 2016-17 Liberty Presents concert series, the Liberty Theatre will welcome California Guitar Trio for a concert at 7:30 p.m. Thursday, Feb. 9.

The universe of guitar knows no boundaries for The California Guitar Trio. Since 1991, the group has enthralled listeners with a singular sound that fearlessly crisscrosses genres. The trio's questing spirit drives it to explore the intersections between rock, jazz, classical and world music. It even throws in the occasional surf or spaghetti Western tune for good measure.

Comprised of Bert Lams, Hideyo Moriya and Paul Richards, the group has established a personal connection with audiences. In addition to dazzling musicianship and interplay,

The California Guitar Trio will perform Feb. 9 in Astoria.

The California Guitar Trio's shows are full of stories and humor that enable concert-goers to feel like they're part of the music, not just spectators. In fact, the group's goal is to transcend their instruments, so people focus on the music first, and its considerable technical prowess a distant second.

The band has released 15 albums to date. Their music has served as the soundtrack

for coverage of the Olympics, and NASA used their music to wake the crew aboard the Space Shuttle Endeavour.

Tickets cost \$15, \$25 or \$35 and are available on TicketsWest or at the Liberty Theatre box office, open from 2 to 5:30 p.m. Wednesday to Saturday and two hours before showtime. The theater is located at 1203 Commercial St.
