College. His senior project included free handyman labor for elderly citizens. He plans to attend CCC and then transfer to Oregon State University to major in electrical engineering.

Northwest Coast Trails Coalition volunteers held a work party to connect two trails at Clatsop Community College.

Trails coalition builds connector trail at CCC

The Daily Astorian

The Northwest Coast Trails Coalition had its first work party since transforming from the Warrenton Trails Association. Coalition Board Vice Chairwoman Tessa Scheller worked with the Clatsop Community College board to get approval to connect two trails near to the college's lower parking lot.

The new trail skirts the edge of the north side of the parking lot and rounds the northeast corner and connects with the upper trail.

The project was completed in about five hours on Saturday.

Terry Teague of Quality Excavation brought in an excavator and did the majority of the work. Mike Sarin, owner of Big River Excavating, donated two loads of gravel, and the coalition purchased a third load.

Volunteers included three board members, Scheller, Gail Galen and Sue Cody. Lucien Swerdloff, CCC Historical Preservation instructor, and one of his students, Don Haslan, pitched in, along with Matt Crichton.

If You Bought a TV or Computer Monitor That Contained a Cathode Ray Tube ("CRT"), During the Years 1995 through 2007, You May Be Affected by This Litigation and May Benefit from a Settlement.

Please read this notice carefully as your legal rights are affected whether you act or do not act.
PARA UNA NOTIFICACIÓN EN ESPAÑOL, LLAMAR O VISITAR NUESTRO WEBSITE.

The Oregon Attorney General filed a lawsuit against certain manufacturers of Cathode Ray Tubes ("CRTs"). The lawsuit alleges that CRT manufacturers illegally agreed upon the pricing of CRTs. The Attorney General filed this action in her law enforcement capacity, and on behalf of the State of Oregon and Oregon natural persons, and sought equitable relief, restitution, civil penalties and injunctive relief.

Oregon has settled with five defendants for a total of \$3,645,000 ("Settlement Fund"). The State of Oregon and Oregon natural persons may be entitled to a portion of the Settlement Fund. "Oregon natural persons" means a human, not a business.

Who Is Included?

The State of Oregon and Oregon natural persons who indirectly purchased at any time during the years 1995 to 2007, for their own use and not for resale CRTs incorporated in TVs or computer monitors. An indirect purchaser is someone that purchased products containing a CRT from someone other than the company that manufactured the CRT component, such as from an electronics retailer or a device manufacturer other than one of the Defendants.

What Are My Rights And Options?

Exclude yourself: Oregon natural persons have the right to exclude themselves from this action. The State of Oregon cannot be excluded. If you opt out, you will not be legally bound by the litigation or these settlements, but you will not get any money or other benefits from this action or these settlements. You will retain any rights you currently have, if any. Please note that under Oregon law, authority to bring antitrust actions for indirect purchaser claims, like this action, was limited to actions by the Attorney General until January 1, 2010.

To opt-out, complete the opt-out registration online at www.OregonScreenSettlement.com or send a written letter stating that you want to be excluded from the case: *State of Oregon, ex rel. Ellen F. Rosenblum v. LG Electronics, Inc. et al.*

Multnomah County Circuit Court case no. CV 120810246. The letter must include the case name, your name, address, telephone number, and signature. The letter must be **postmarked on or before March 18, 2017**, and mailed to: Oregon CRT Settlement, c/o GCG, P.O. Box 10240, Dublin, Ohio 43017-5740.

File a claim: Only Oregon natural persons need to file a claim to obtain benefits from these settlements. Claims can be completed online or by mailing the claim form, available for download at www.OregonScreenSettlement.com, to the Settlement Administrator. The Court has not set a deadline for filing claims, as the case has not concluded.

Do nothing: If you do nothing, you will continue to be represented by the Oregon Attorney General in the action. You will be bound by the terms of the settlements, and will release Defendants and related entities from any claims you may have relating to the allegations in this lawsuit. Oregon natural persons that do not file a claim will not be entitled to any benefits in this matter and will be bound by the terms of the settlement.

Who Represents Me?

The Attorney General of Oregon represents the State and Oregon natural persons. You do not have to pay the Attorney General. The Attorney General will request the Court approve attorney fees and litigation costs from the Settlement Fund. Additional costs to administer the Settlements will also come out of the Settlement Fund. If you want to be represented by your own lawyer, and have that lawyer appear in Court for you, you must exclude yourself and hire an attorney at your own expense.

How Do I Get More Information?

This Notice summarizes the lawsuits and the Settlements. You can get more information about the lawsuits and Settlements, the claims process or obtain a claim form at www.OregonScreenSettlement.com, by calling 1-877-940-7791, or writing to: Oregon CRT Settlement, c/o GCG, P.O.
