CAREOREGON

At CareOregon, we're looking for professional people with energy, drive and passion – people who are ready to make a change, because we're better together.

High Risk Triage Coordinator
*****This position is based in Seaside, OR, option for partial telecommuting from another OR/ SW WA Coastal town*****

Works closely with the Population Health team to coordinate care using a trauma-informed and member-centric approach. Takes into consideration the global health of an individual given their physical, social, mental and dental health needs and coordinates timely access and continuity of care to promote positive health outcomes. The overall aim is to improve quality of care, coordinate care across the continuum, reduce hospital readmissions, and increase access to advanced illness care. Responsible for identifying and triaging members and assignment of appropriate referrals. Core functions of the position include addressing members' care coordination needs, identifying appropriate resources to engage, and providing support to members across the risk spectrum as needed.

Requirements: Minimum 3 years of directly related experience working with vulnerable populations in a healthcare setting, social service agency, outpatient primary care clinic, hospital, or health insurance plan. Experience should include working with consumers of Medicaid and Medicare healthcare services and an understanding of the psychosocial and medical barriers encountered by this population. This position may require some day trips and may require overnight travel.

For complete job description and to apply, visit us online at <http://www.careoregon.org/AboutUs/Careers.aspx>
 Position may close at any time.

We are an equal opportunity employer. We evaluate qualified applicants without regard to race, color, religion, sex, national origin, disability, veteran status, and other protected characteristics.
