Bay Avenue Gallery celebrates seven years

OCEAN PARK, WASH. — April marks Bay Avenue Gallery's seventh anniversary. The gallery at 1406 Bay Avenue in Ocean Park will celebrate this achievement Friday and Saturday, April 7-8, with a new exhibition of artwork, artist demonstrations a special artist-priced table and a reception.

The work of sculptor Jean O'Neil will be discounted as she is going to remain busy in Sedona, Arizona. Her ceramic works are specially

priced as they were made in the northwest and she hopes to keep them there. Painter Carol Thompson is celebrating 45 years of paintings by marking 50 percent off all canvas prints and rolling select original prices back to the 1980s. Potter Sue Raymond will introduce her new series, Insects of My World.

A special reception is 5-8 p.m., Friday, April 7 and artist demonstrations are 1-4 p.m. Saturday, April 8

Portlanders, locals featured at LightBox gallery show

ASTORIA — LightBox Photographic Gallery recognizes the Portland photographic community for their talent in the sixth annual "PDX 30 Exhibit." This group exhibit opens with an artists' reception on Saturday, April 8, from 6-9 p.m.

One image each from 30 photographers was chosen to be featured in the exhibit, work that exhibits the unique vision and creativity of the photographer and stood out above the crowd.

This year Portland photographer Joni Kabana served as juror. Kabana is a visual artist who is most happy when she is deep into a world which is unfamiliar to her.

Also opening on the same night is the LightBox Files Exhibit. Eight photographers' work will be featured in the viewing drawers at the gallery for the 2017 calendar year. The LightBox Files are entering the second year at the gallery, honoring the complete photographer by recognizing those that pursue the art of fine printing, in whatever medium that may be. On this night, all eight photographers will be featured with a series of prints

Regret by Sandy Koteen.

Reflective Woman in Notre Dame by Sam Blai.

on the walls and a collection in the drawers.

The photographers of the LightBox Files are Ann Kendellen, Mark Shearer, David Tucker, David Lee Myers, Denise Ross, Walt O'Brien, Roger Dorband and Michael Granger.

"The PDX 30 Exhibit" and "The Lightbox Files Exhibit" will be on display in the gallery at 1045 Marine Drive through May 10. Complete show info is at <http://lightbox-photographic.com/shows/>.
