Two arrested in heroin bust

The Daily Astorian

A traffic stop led to two arrests for heroin possession in Warrenton on Wednesday. Clatsop County Sheriff's Office deputies executed a traffic stop and search warrant on U.S. Highway 101 near Oregon Highway 104. They found more than two ounces of heroin, digital scales, several small syringes and over \$1,400 in cash. The driver — Marina Annette Evans, 39 — and a passenger — Antonio Silva-Garcia, 45 — were both arrested. Evans was charged with possession of heroin and Silva-Garcia was charged with delivery of a controlled substance. He had been on parole for a previous conviction on the same charge. Deputies later searched Silva-Garcia's residence at the Emerald Heights apartment complex. Additional charges may follow as the investigation continues.

State jobless rate drops below 4 percent

Associated Press

PORTLAND — Oregon's unemployment rate has plunged to less than 4 percent. The state Employment Department said Tuesday the March jobless rate was 3.8 percent, the lowest mark since comparable records began in 1976. The unemployment rate at this time last year was 4.9 percent. The agency says government, manufacturing and professional and business services enjoyed strong job growth last month. Construction has been the fastest-growing sector over the past year, adding more than 8,000 jobs.

Another unemployment measure, known as U-6, fell to 8.6 percent in March — down from 9.1 percent in February and 10.4 percent a year ago. The figure includes discouraged workers who stopped looking as well as part-time workers who want but can't get full-time jobs.
