# Learn about sustainable local shellfish harvesting in Netarts Bay

**NETARTS** — The Friends of Netarts Bay Watershed Estuary Beach and Sea (WEBS) is offering a free sustainable clamming workshop at 9 a.m. Saturday, April 29, in the Netarts Bay area.

Participants — who must sign up for a specific location — will learn about the role of shellfish in bay health, types of shellfish and invertebrates in the bay, sustainable methods for harvesting wild shellfish, current research on trends in clam size and biomass, and distribution patterns, research and regulations around harvesting.

Be warned: Attendees should expect to get dirty — they will be venturing out into mud flats with guides. Boot or closed-toed shoes are recommended. Flip flops are strongly discouraged.

A shellfish license is required and can be obtained from the local state Department of Fish and Wildlife office or at Naveen's Bay-side Market and Deli.

WEBS is a local non-profit organization dedicated to sustaining the Netarts Bay area through education and stewardship.

Registration is required. For a link, please visit

Friends of Netarts Bay WEBS Eventbrite site or Facebook page.

This workshop is part of the Explore Nature series of hikes, walks, paddles and outdoor adventures. The events — hosted by a consortium of volunteer community and nonprofit organizations — are nature-based experiences meant to highlight the unique beauty of Tillamook County and the work being done to preserve and conserve the area's natural resources and natural resource-based economy, according to press materials.

## Sign up for Oregon Coast Clean Up in Manzanita

**MANZANITA** — Volunteers are needed for the Oregon Coast Clean Up taking place on Manzanita beach 12:30 to 4:30 p.m. Sunday, April 23.

All ages are welcome, though minors under 18 must be accompanied by an adult. Community service hours can be awarded if requested, and groups are welcome.

Participants should dress warmly and bring rain gear and a refillable drinking container. Ocean Blue will provide drinking water,

gloves and reusable collection containers.
