

# CELEBRATE

# Earth

# DAY

One way I could save the earth is to pick up trash. The second way I could help save the earth is to find trash in the stream and throw it away in a trashcan so wild life doesn't get hurt. third thang I would do to save the earth is I can cut down a old tree and replant a new one.

Aubrey Harrington

One way I would help Earth is peck up the trash. A nuther way I would help the Earth is to plant trees and flowers.

Caitlin Davis

One way I would help the Earth is to pick up trash at the beach because the fish could get trapped in a waterbottle or a bird could swallow plactick and die.

Saphira Pietila

One way I would help the earth is picking up trash and help like cean the rodes. and cean ole spills in the oshon.

Bella Celdran

One way I would help the earth is pick up trash because it could get in the water and kill the salmon. catching salmon is my grandpas job!

Jack Wells

One way I would help erth is to clean oil spills off the sea. to sort trash in its bins. And plant trees for annimals.

Dakota Betts

One way I would help Earth is pick up trash on the bech. pick up can's and bag's.

Kaden Roberts

One way I would help the Earth is by makeking the world priter. I can opull out weeds and pick up trash, and cut down trees and plant more trees.

Kate Barendse

One was 2 help the earth is 2 pick up trash. another way 2 help the earth is 2 not litter. and one more way is 2 keep the water clean

Mac Caron

One way I help earth is I pick up trash from streames and land. Another way is when you cut down a tree plant a new one. The last way I help is plant seeds for grass and other natril things.

Beth Larsen

One way I would help the earth is to pick up all the garbig. Don't lidder. you can halp by planting plants. Good bye.

Kiya Roe

I think one way to make the world a better place is to pick up trash around your house or school. Another way it to cut down a old tree and plant a new tree. The last way is to plant seeds for flowers and vegetables.

Mylie Lempea

One way I help the Earth is to help feed the animale's. Because some people cut animale's food and homes and the animale's. Because so we have food.

Mahala Knutson

earth day is the best day because you can clean the streams so fish dont get cault in plastic bottles or they can eat metel and shards of glass help the world.

love Izaiah Leedy

ps it's my birthday.

One way I help Earth is to sop peplle ploen the wudr licke peplle punen bodlls and fod and cemols to ploet the rivrs and the osins.

Bradley Lindstrom

I would go to the beach and help get trash off the beach. If i see trash i will pick it up. If there animals that have trash around its neck i would help it.

Hannah Johnson

I like to do beach clean up Because for fun!

Caitlin Kirm

I do not litter. I plant seeds. I will clean garbage in the forest.

Carter Foster

What I like to do to help the earth is pick up garbage!

Blake Miller

What I do to help the earth is I don't litter and I pick up trash.

Payton Hall

Plant some plants to help with oxgyen.

Gunnar Scott

I would make the world a better place. By cleing the beach. I would make the world a better place.

Danika Mundell

I like to plant things and pick up trash. I like to recycle and tell people to not litter! I like to help my baby 2 year old sister throw away her trash.

Bailey Richardson

Jocelyn Tarabochia

One way I like to help the Earth is to pick up trash. Another way I like to help the Earth is to plant trees.

Aubrey Rusinovich

What I do to help the earth is pick up trash at the beach. I like planting flowers in a garden or a green house.

I don't litter.

Aemilia Gronmark

I help the Earth by cleaning up garbage and planting new trees when I cut a tree down. I can also plant gardens and keep the water clean.

Dahlia Koeppen

Don't litter Don't dump trash on the ground.

Tannar Cagwin

One way to help the earth is to get oil spills cleaned. A nother way to help the earth is get rid of trash so it grows better.

Emily Martinez

I like to help clean up gurdige. I like to help plant trees.

Gavin Jasper

I am going to plant a gorden at my houes. pick up trash from the side of the road. teach people not to liter. riten by Wyatt Jacobson.

DO NOT smoke or use tobacco. Instead of littering throw trash in a TRASH CAN. If you cut down a tree REPLANT IT.

Nadia Greinar

This is how I would help the Earth now here are some ways to help the Earth I would not be a litter bug picking up trash and try to stop all oil spills.

Hattee Barnes

You cun hlep peopl clean. I wold go on the Baech. I wold hlep the earth.

Isabella Ramirez

You can help the Earth is you can plant a garden and you can pick up garbage in the baech. You can plant flowers in a pott.

Marlena Johnson

I help the earth by picking up trash and planting trees, gardens and berry bushes. I also don't litter so our inviorment stays helthy and clean! I also try to rescue hurt animales that need help.

by Taeler A Hanseth

I like to help the earth by not littering. Another way is to plant flowers. One more thing is to cean up leaves so the grass can grow. And those are ways how you can help the earth!
