About the Market

17TH SEASON ■ 10 AM TO 3 PM EVERY SUNDAY FROM MAY 14 THRU OCT 8 ■ IN HISTORIC DOWNTOWN ASTORIA

Astoria Sunday Market was founded in 2000 to revitalize its historic downtown. The success of the Market has been even greater than imagined and today it is a core feature of this coastal river town. Locals and tourists alike enjoy the bustling, colorful and lively weekly Market.

Programs of Astoria Sunday Market

While the seasonal Sunday market is our centerpiece program, we have created other activities and events that also fulfill our mission.

Young Entrepreneur's Club and Market Biz Kidz

This is a collaborative project with Clatsop County 4-H to encourage young people to become entrepreneurs. We provide an annual "Boot Camp" where kids learn the basics of making, promoting and selling a product. During the season we provide tents, tables and other gear. The Market Biz Kidz vend together in one location. We also offer grants to those who vend five or more times and turn in a completed business plan and grant application. New this year is a partnership with Sunset Empire Parks and Recreation for Biz Kidz to also vend at the Wednesday Seaside Market.

Cruise Ship Markets

Astoria Sunday Market provides vendors at the Port of Astoria creating a festive welcoming for the Cruise Ships. The Clatsop Cruise Ship Hosts – a non-profit educational organization that provides more than 150 volunteers to welcome Cruise guests to our city – take the lead in this effort and work closely with the Market and the Port of Astoria.

Astoria Winter Market

From 2008 through 2016 ASM produced an indoor holiday market at various locations in downtown Astoria.

Mission

The Astoria Sunday Market is a non-profit 501 (c) 3 organization formed to revitalize historic downtown Astoria and to improve the economic

viability and vitality of farmers, artists, artisans and other small business operators in the Pacific Northwest. The Market is dedicated to creating a vibrant educational marketplace for the community benefit.

Cover Art

By Bill W. Dodge

Artist Bill W. Dodge will have his latest major new Astoria original painting available for acquisition, plus full size prints of the colorful new work. "I wanted to further define what Astoria means to me visually. The sights and sounds which make this incredible area so unique and appealing. I actually thought the large (22x28) depiction would finally fully pictorially define its heart and soul," Dodge says about the painting. "But, try as I might I can only proceed on my artistic journey to depict Astoria. And the title of this new piece says why I will continue defining Astoria visually in the coming years. It is entitled 'Astoria is ... and much, much more!'"

Dodge has been painting scenes of Astoria since 1990 when he moved to the area from Carmel, California where he had an art gallery for several decades. Following a short period of artistic retirement in 2012 the 83 year old artist has resumed painting full time.
