

Small Grants Program

Thanks to Recology Western Oregon there is a small grants program for Young Entrepreneur's. Grants range in size from \$25 to \$100. Grant applications and guidelines are available online. The deadline for submission is October 16, 2017. A Young Entrepreneur must vend at least five times to qualify for the grant.

New Tents!

Thanks to Jeremy Mills State Farm we now have two fabulous new tents with bright red awnings. Jeremy has also helped us make new connections in Seaside that are enabling Seaside kids to participate in Seaside's Wednesday Market.

2017 DONORS

- Recology Western Oregon
- Jeremy Mills State Farm Insurance

Members of the Young Entrepreneurs Club are selling their products at the Market Biz Kidz tent starting in mid-June at the Astoria Sunday Market. The Market Biz Kidz create, invent or grow their products for sale at the Market. We have a very creative team of Young Entrepreneur's this year! Stop by and see what they're selling.

New this year! Astoria Sunday Market is collaborating with Sunset Empire Parks and Recreation District to allow kids to vend at its Wednesday Market. The Seaside Farmer's Market runs June 21 – September 27 from 3 to 7 pm in the parking lot adjacent to Seaside's Visitor's Bureau. Kids who vend as part of the Biz Kidz program in Seaside are eligible for the Small Grants Program.

The Young Entrepreneur's Club is sponsored by Recology Western Oregon, Jeremy Mills State Farm Insurance and Georgia-Pacific.
