

Crossing Guards

Please help us keep the Market safe by obeying our crossing guards located at 12th & Duane. They are there to help keep pedestrian traffic flowing safely. Pictured is Patrick Muniz and Paul St. James

The Northwest Dragon & Lion Dance Association has been bringing its youthful dancers to opening day for several years now as a way to bring luck and happiness to the new Market season. Between 15 and 20 dancers typically join us for the day from Portland. NWLionDance.org
