THE OUTDOORS

RECREATION OPTIONS ON THE PENINSULA

BICYCLING

The Peninsula has many trails for bicycling enthusiasts, including Long Beach's wonderful paved trail through the ocean dunes, stretching north and south of the boardwalk. Some other options include Cape Disappointment and North Head roads, Sandridge Road to Ocean Park, the quiet back streets of Oysterville and Nahcotta, and Parpala Road in the Naselle area.

TENNIS

Free outdoor tennis courts of various descriptions can be found all along the Peninsula. Both the Ilwaco City Park and Long Beach's Culbertson Park have courts (and outdoor basketball courts). See signs on the courts for rules.

Lighthouse Resort Tennis Club, 12417 Pacific Highway, north of Long Beach, offers both memberships and use by fee. It is a state-of-the-art facility that houses two regulation blue-green U.S. Open courts. For more information call 360-642-3622, email manager@lighthouseresort.net

SWIMMING

Peninsula beaches are considered unsafe for swimming. No matter how calm or inviting the water looks, or how strong a swimmer one may be, drownings sometimes occur. Severe undercurrents and rip tides can pull — and have pulled — even the most experienced swimmers out past their limits.

Swimming opportunities on the Peninsula are limited to private or public pools. The Dunes, a professional indoor pool, is located just south of Ocean Park on the west side of Highway 103 at the Dunes Bible Camp. For more information and hours, call the camp at 360-665-5542. Eagle's Nest in Ilwaco, 360-642-8351, is another option.

RUNNING

The hard-packed sand of its beach and its bountiful back roads make the Peninsula a great place for the jogger and runner. Ilwaco High School also has an eight-lane, all-weather track which is usually available for use during daylight hours. Discovery Trail from Long Beach to Ilwaco offers incredible views to go with your cardio workout.

SOFTBALL

Softball fields are at Ilwaco City Park, Culbertson Park in Long Beach, Long Beach School, Chinook School and across the street from the Ocean Park School.
