Cannon Beach museum presents summer photo exhibit

CANNON BEACH — This summer, the Cannon Beach History Center & Museum's seasonal art exhibit will feature the work of more than 10 Pacific Northwest artists. "Behind the Lens" will open 6 p.m. Friday, June 23, with refreshments and an opportunity to meet the artists.

The exhibit includes three to five pieces from amateur and professional photographers. The artists were given the freedom to share their story — and, in some cases, their love of Cannon Beach and Oregon — through visual art.

"Behind the Lens" mingles metal, wood, canvas and framed pieces with vibrant colors, innovative content and inspiring stories.

This exhibit was made possible with funding from Clatsop County and will be on display through September. The museum (1387 S. Spruce St.) is open 11 a.m. to 5 p.m. seven days a week.

For more information, visit cbhistory.org or find the museum's Facebook page.

Sharpen your tool-sharpening skills

ASTORIA — An upcoming class on tool sharpening, led by instructor Darrin Fiscum, will be held at the Barbey Maritime Center 8:30 a.m. to 12:30 p.m. Saturday, June 24.

"Sharp tools make any job easier and safer," organizers said.

Participants will learn how to sharpen planes and chisels using basic stones and strops. They will use hand-eye skills rather than expensive machinery.

No experience with hand tools necessary.

The cost is \$40 for members, \$65 for nonmembers. Bring hand tools that need sharpening.

To register, call 503-325-2323.
