

Acclaimed artists teach workshops at Astoria Art Loft

ASTORIA — Artists Kristy Kutch, David Kitler, Susan Supola and Carl Dalio are coming to Astoria this summer to give workshops at the Astoria Art Loft.

“This is a great opportunity for artists to continue their professional development,” the Art Loft said in a release.

• Kutch offers a two-day colored pencil workshop 9:30 a.m. to 4 p.m. Tuesday and Wednesday, July 18 and 19. The fee is \$225.

• Kitler, the well-known wildlife artist returns to Astoria for a five-day workshop 9:30 a.m. to 4 p.m. Tuesday through Saturday, Aug. 22 to 26.

The first three days will focus on drawing, the remaining two on painting. The fee is \$525.

• Supola offers a two-day workshop on painting on silk 9:30 a.m. to 4 p.m. Saturday and Sunday, Sept. 9 and 10.

Susan supplies all the materials. The fee is \$75, plus \$20 for supplies. Participants leave with finished pieces of frame-worthy artwork.

• Dalio returns to Astoria

for an unusual group of three two-day workshops, held Monday through Saturday, Sept. 18 through 23.

The first workshop on Sept. 18 and 19 features watercolor. The second workshop on Sept. 20 and 21 features pastel. And the third workshop on Sept. 22 and 23 features oil.

The fee for a two-day workshop is \$225; however, if an artist wants to take more than one of the workshops, the fee is reduced to \$200 for the second and third workshops.

If an artist wants to continue with a particular workshop, Dalio will honor the person's preferred medium. For example, if a watercolor artist wants to continue into the pastel workshop, the artist can work both in watercolor and pastel.

Free tour of Netarts Bay salt marshes offered

NETARTS — Walk along the salt marsh of Netarts Bay while learning about how plants survive in a salty world noon to 4 p.m. Sunday, July 16.

Join Friends of Netarts Bay Watershed, Estuary, Beach,

and Sea for a free guided tour along the salt marsh at the southern end of Netarts Bay.

The class size is limited to 10 participants. Registration is required.

The tour includes an easy-to-moderate walk through

muddy areas and trails covered by brush. It is best suited for participants 12 and older comfortable with walking in these environments. Participants should wear long pants and closed-toe shoes for this adventure, organizers advised.

The event is part of the Explore Nature series of hikes, walks, paddles and outdoor adventures. Explore Nature events are hosted by a consortium of volunteer community and nonprofit organizations, and are “meaningful nature-based experiences” that “highlight the unique beauty of Tillamook County and the work being done to preserve and conserve the area's natural resources and natural

resource-based economy,” according to a release.

Though there is no cost to attend the program, tax-exempt donations to Netarts Bay WEBS to enable programs like this are encouraged, organizers said.

A link is available on the Friends of Netarts Bay WEBS Facebook and Eventbrite pages. Transportation to natural areas is provided by WEBS.

At times, the tour areas will have a moderate number of mosquitos. WEBS requests that participants take appropriate precautions to ensure their comfort.
