ASTORIA VISUAL ARTS

ASTORIA OPEN STUDIOS TOUR

July 29 - 30
10am - 4pm

Plan Your Route
Choose the artists you'd like to visit then hop in your ride and venture on! Each artist's studio is marked with a number and some have additional arrows to help guide you to their door. This event is fun, free and family friendly!

Where and how artists set up their studios are as diverse as the work they create and unique to each artist. Some artists have set up their studios just for the weekend and others have been honing their space for over a decade.

More information on each artist is available at astoriavisualarts.org.

Heartfelt thanks to the City of Astoria for supporting local artists and recognizing the important role the arts play in enhancing our lives, our community and contributing to the economy. Other huge supporters include our members and volunteers and Fort George Brewery & Public House, Coast Community Radio, HipFish, The Daily Astorian, and the Astoria Downtown Historic Development Association.
