A Family Tradition CANNON BEACH BAKERY

Home of World Famous Haystack Bread

Dan and Robin Christensen have been baking for nearly 48 years and are continuing their family traditions in Cannon Beach, Oregon.

Beginning the trade at the age of 12, Dan is a third-generation baker, with deep family roots in Denmark. These Danish family traditions are still in use at Cannon Beach Bakery today. The Danish is handmade and everything is made from family recipes with no trans fats.

The star item at Cannon Beach Bakery is our famous Haystack Bread. Traced back to a formula nearly 52 years old, the crusty loaves are known up and down the coast for their outstanding taste. Each loaf is hand-prepared start to finish just as it was in the early 1960s.

In 2004 they moved to their new location at 240 N. Hemlock, still in downtown Cannon Beach. With a total of 90 years combined, Dan and Robin pride themselves in offering deli sandwiches made from their own fresh baked breads, homemade soups, authentic danish pastries, wedding cakes and all occasion cakes made to order and many other favorites including the famous poppy seed cake. New menu items include quiche, cheese sticks and ham & cheese croissants. Stop by today and see for yourself. Enjoy!

TER HAR'S *Truly a Seaside Landmark*

27 Broadway • Seaside, OR • 503-738-5515 2nd & Hemlock • Cannon Beach, OR • 503-436-2029

TER HAR'S, clothing stores in Seaside and Cannon Beach. But more than that, Ter Har's is a family affair, now run by Jeff, Paivi and their daughters Kaisa and Tessa. And still keeping an eye on the business now retired Jean. Been a family run business for three generations, now training the fourth.

As the Ter Har family celebrates over 65 years in business, they recall when Seaside was a town of vacant lots and business was seasonal. Then, the "season" then lasted four months a year, and many stores were closed for several months, Jeff recalled.

The Ter Har name became known in the area in 1951, when the young Bud and Jean Ter Har, fresh from Seattle, bought the former Merriman Hotel in Seaside. In addition to the three-story hotel, the Ter Hars operated a small gift store. Bud and Jean knew the gift business: He had worked as a traveling

salesman for a gift company when the couple lived in Seattle.

They lived in the back of the store for seven years. While Jean rented rooms in the hotel and operated the gift shop, Bud worked two jobs: selling cars at a local Ford dealership and selling furnaces for an oil distributor.

A few years after they opened the gift shop, the Ter Hars added clothing to their inventory, and soon they became a clothing store.

Because the apartment was, according to Bud "too valuable a space to be living in," the Ter Hars moved in 1958 to a house in Gearhart, where Jean continues to live. Bud died in 2009.

The clothing store with the black-and-white awning was torn down when Trendwest Inc. bought it and other property they owned along Broadway and the Prom in 2001 to build its condominium resorts. The Ter Hars became owners of the first floor of the building and not only continue to operate their store in a Broadway storefront, but rent out other storefronts to businesses all the way to the Prom.

In addition to the Seaside store, they have operated stores in Astoria and Long Beach, Wash. In 1991, the Ter Hars opened the Cannon beach store, which continues to operate today.

In total, the Ter Hars own six commercial buildings that have 34 different businesses operating in them. All of the properties are in Clatsop County.

Jean and Bud always believed in reinvesting in Seaside by opening other storefronts. This gives people opportunities to prosper in business.

Besides their financial investment in Clatsop County, however, the Ter Hars also invest their time in the community. They often can be seen supporting athletic teams and other student organizations in the Seaside schools. Bud, Peter and Jeff have had associations with the Seaside Downtown Development Association and The Seaside Chamber of Commerce (all three had a turn as Chamber President).

With the business Jean, Jeff & Pavi are able to work and contribute with the Assistance League Columbia Pacific to help clothe the children in the county. Pavi is an active member in Assistance League.

"It's important not only for us to let our customers have a good shopping experience, but we're also like a mini chamber of commerce," Jeff said. "People need to know we have an aquarium, a two-mile Prom and where to get seafood."

We've appreciated all of our employees over the years, past and present, we couldn't have done it without your dedicated contribution.

Sweetly Celebrating 54 Years!

On April 1, 1963 the doors to Bruce's Candy Kitchen opened and Treva & Bruce Haskell entered the candy business. With our trademark pink & white exterior stripes, a few candy recipes and lots of love they set out on what would become a 5th generation owned and operated family business. Over the last 54 years our family has greatly enjoyed serving our homemade treats to generations of visitors to Cannon Beach. In 2011, we expanded our business to the Seaside Outlet Mall, so the communities of Cannon Beach and Seaside could both enjoy the wonderful treats we offer.

We take great pride in producing the freshest and tastiest salt water taffy, hand dipped chocolates, caramel corn, peanut brittle & more to our loyal customers and first time visitors. We love that something as simple as a piece of taffy can become a life long memory for many of our customers, as generations of families enjoy our sweets. We are honored to be making sweet memories since 1963 and look forward to making many, many more!

We make it fresh and we make it great!
