From coast to coast, you can have the "Peace of Mind" knowing that your qualifying NAPA repairs are under warranty. On your next trip to TJ's Auto Repair, don't forget to ask about the NAPA Auto Care "Peace of Mind" warranty. Our crew is available to answer all of your questions and take care of your mechanical needs.

For 33 years, Video Horizons has been bringing affordable entertainment to Clatsop County. From humble beginnings of just 600 VHS videotapes, the current library has grown to over 50,000 movies and video games.

In the 80's, video stores were plentiful. There were about ten video stores in the Astoria-Warrenton area when owner Neal Cummings opened his store in the old Taco Terrific building across from McDonald's. Then, in the 90's, Blockbuster and Hollywood corporate chains began taking over the video landscape, and independent video stores were put out of business all around the country. Only a handful of independently-owned video stores survived the onslaught. Moving across the street into the 6000-square foot Fisher Brothers building, over 13 years ago, helped Video Horizons survive.

Now in 2017, the landscape has changed once again. the corporate behemoths have toppled under their own weight. Netflix, Redbox and pay-per-view seem to be the people's choices for their movies. But the strength of Video Horizons remains... affordability, selection and good customer service. Because Video Horizons provides so many copies of the hits, the previously-viewed selection of DVD's has grown tremendously.

The staff of Video Horizons would like to thank the good people of Clatsop County for their support all these years. **SUPPORT LOCALLY-OWNED BUSINESSES!**

**WORKING HARD FOR OREGON FAMILIES AND BUSINESSES SINCE 2004**

I started in public service as a volunteer for several political and issues campaigns when I was in college in the 1960s and 70s, including the Equal Rights Amendment. In 1974 I moved to Clatsop County where I served on several local boards and commissions including the Union Health District (Seaside Hospital board), Clatsop Soil & Water Conservation District, HeadStart Policy Council, and I was the coordinator for the Necanicum Watershed Council for 6 years. In addition, I worked on Congressman AuCoin's Clatsop County campaigns for several terms as well as the campaigns for our local Democrats.

Then in 1986 when a seat came up on the Clatsop County Commission I ran for and won it.

In 1986 the county changed its form of government to Home Rule and my commission seat became an unpaid position. I served for two years before going to Salem to work as Sen. Dukes' assistant which became the first of my 16 years as a Legislative Assistant to seven different legislators. In August of 2004 I was appointed to fill out the unexpired term of Rep. Elaine Hopson. I won the seat in the November 2004 election and have served for seven terms representing House District 32 since 2004.
