Emerald Heights Apartments was purchased by the Smith family in 1992. Emerald Heights was initially Navy and Coast Guard housing. The Smith's have been rehabilitating all buildings on the property, including new windows, roofing, carpeting, stoves and refrigerators. Each building has its own coin-operated laundry facility. Electricity, gas, water, sewer, and garbage are included with rent.

The property is extremely clean and well maintained.

*Comfortable, affordable,  
country living at its best!*

And it's why we have the Pacific Storm, an 84-foot steel-hulled ship that lets us explore every marine-science curiosity a Beaver may have. Because if you want to do groundbreaking research (and we LOVE doing groundbreaking research), you need a vessel to get out there.
