In 2000, the dynamic duo of native Astorians Teona (T) Dawson and Paul (P) Flues II began their partnership by opening **T. Paul's Urban Café**, winner of the Coast Weekend Readers Choice Awards for #1 Lunch Spot on the north coast for 16 years.

In 2009, they followed up by opening the ever popular **T. Paul's Supper Club**, embracing their motto *"Eat Well, Laugh Often, and Love Much"*. Supported by a loyal following, they have garnered local, regional and national recognition in recent years. Their goal has always been to treat guests as family, and it shows.

As of 2017, T. Paul's Urban Café has added "Public Noshery" to its name to create a little more intrigue. "The Urban", as most call it, is undergoing exciting changes on its Reinvention Tour 2017. As some people still think they are a counter service dinner café, which they have never been, they have reintroduced our "Full Table Service" dinner menu with many superb entrées and a lite side menu as well, including a **"Cloud 9 Happy Hour"** and **Summer Adult Beverage menu**.

Taking care of locals first, being consistent with excellent customer service ("no" isn't an option), serving local and regional seafood and all natural meats has served them well. Both venues offer lunch and dinner and serve distinctly different and affordable menus, which are available on their websites.

They are thankful for 17 wonderful years and give the glory to a great staff - some of whom have been with them from day one: **Donna Flues, 17 years** (baker), **Faith Harris Forster, 16 years** (Waitstaff/management) and **Mari Ramarui, 13 years** (Waitstaff/management). We believe in giving back to the community with our annual **Christmas Day Community Dinner** and supporting local events and charities.

We would not be here without **"YOU"** and for that we give much thanks.

-P, T and Crew

Since our founding, Craft3 has believed in the people who make our region vibrant and resilient.

Over the past 23 years, we've partnered with more than 380 businesses and homeowners in the Lower Columbia.

So whether you need a business loan to finance start-up, working capital or expansion, or you need a home loan to finance energy upgrades or repair a failing septic system – we hope you get in touch.

We look forward to becoming your partner – and investing even more in the Lower Columbia.

Learn more about Craft3 online or stop by our Astoria office in the Fisher Bros. Building.
