## Answers on Page 22

To mark the 75th anniversary of the New York Times crossword, which debuted in 1942, we are publishing a series of puzzles co-created by famous people who solve the Times crossword, working together with regular Times puzzle contributors. This collaboration is by the designer and TV host Isaac Mizrahi, together with David J. Kahn, a retired consulting actuary in New York City. This is David's 172nd crossword for The Times. More information about the making of today's puzzle appears in the Times's daily crossword column (nytimes.com/column/wordplay).
