

BEACH HOME OPPORTUNITIES

GEARHART PALISADES

Winning combination of Spectacular Ocean Views and location of 'off the beaten path' while also being close to everything! This lovely one level home which was custom built for the seller. Much thought was given to the details and design of this home which will also be a pleasure to it's new owner.

Gearhart Palisades is a quiet and delightful neighborhood with trails to the shore and steps to the Gearhart Golf Links & Pub. 2781 sq. ft.
