FASHION SHOW GREAT PRIZES & FUN

Astoria Sunday Market has become a place where dogs show up in their Sunday best. Some are walking while others are strolled through the Market or carried in backpacks. The Fashion Show is your chance to really bring on the glam and strut your fluff!

This year we are excited to announce that artist Bill W. Dodge is partnering with us! He will be offering prints of his painting - "Dog Days at the Market" for sale with 50% of proceeds going to Clatsop Animal Assistance!

Astoria Sunday Market encourages appropriate dog and people behavior in public places: Short leashes, good temperament and cleaning up after messes!
