

Friends of Old Fort Stevens

PROGRAM OVERVIEW

The Friends of Old Fort Stevens, or FOOFS, operate concessions within Fort Stevens State Park as a means of providing funding for interpretive and restoration projects. Examples of concessions: Visitors Center gift shop, and the selling of firewood to campers.

FOOFS operates seasonal walking and truck tours within the park's Historic Area. Funds are expended on restoring selected features of the gun batteries and museum/visitors center displays. Over the course of the year living history events are funded as well as several major events. FOOFS has co-sponsored the ever popular Labor Day weekend Civil War Reenactment for over twenty years.

The Friends of Old Fort Stevens are passionate about maintaining and preserving Oregon's only coast artillery fort. It's mission was accomplished as no enemy ever attempted to enter the Columbia River to take over its countless assets and riches.

Preservation can be expensive. The Friends welcome corporate and private donations devoted to the preservation and interpretation of Fort Stevens.

Friends of Old Fort Stevens

Headquartered at the Visitors Center located within the Fort Stevens State Park HISTORIC AREA.

Mission:

The Friends of Old Stevens is dedicated to preserve, improve, restore, interpret, and promote historic Fort Stevens and its environment in cooperation with the Oregon State Parks and Recreation Department.

Vision:

Future generations of visitors to Fort Stevens State Park will enjoy an integrated and fully interpreted campus.
