

Lunch Buddy Mentoring Program

PROGRAM OVERVIEW

The Lunch Buddy Mentoring Program matches positive role models with kindergarten through middle school youth who could benefit from the support of a mentor. All mentors are fingerprinted, background checked, and trained prior to being matched. Our secondary program partners with COSTCO to provide starter backpacks for kindergarten through 2nd grade youth.

DONATIONS:

We are a 501c.3 nonprofit and donations are always appreciated

VOLUNTEER:

Volunteer mentors are always needed. Many schools have a waiting list for youth.
