

Miss Clatsop County Scholarship Program

PROGRAM OVERVIEW

We are a preliminary competition to the Miss Oregon and Miss America pageants and award scholarship money to all who participate. The Miss America program is the #1 provider of scholarships for women in the entire world. In 2015 we awarded over \$6000 to local women. The competition is open to women aged 13 to 24 who live, work or attends school in Clatsop, Columbia and Tillamook counties. Contestants are judged in interview, fitness, talent and eveningwear. Not only do contestants receive scholarship money for school but gain interview and public speaking skills, poise and confidence, and must select a platform to be a spokesperson for. Community service and volunteerism is strongly encouraged. A princess program is open for younger girls (5-12) as a mentorship opportunity which emphasizes fun.

2017 TITLE HOLDERS

FUNDRAISING EVENTS

Our main fundraiser is a dinner held the night before our pageant. It features a dinner buffet, live auction, and speeches by both outgoing titleholders and contestants. It is made possible through donations by local businesses for everything including the banquet room, food, linens, & the auction items and worked exclusively by individuals who are donating their time.

CORPORATE GIVING OPPORTUNITIES

We have a four-tiered sponsorship system ranging from \$125 - \$1000. Benefits for sponsorships range from advertising in our program book to tickets to the pageant and everything in between. In addition, all sponsors can book contestants and / or titleholders for their own individual events at no charge.

SPONSORSHIP

In addition to the corporate sponsorships, contestants are given the opportunity to "build your own scholarship" by selling program book ads. Half of money from these ads goes to the program's scholarship fund and the other half goes directly into a scholarship fund for the contestant selling the ad. Please consider supporting any contestants that ask you or your business to purchase an ad.

DONATIONS

Items for the Friday night auction are welcome as are in kind donations for services such as hair, make-up, fitness and wardrobe.

VOLUNTEER

We are strictly run by volunteers and always looking for assistance. Some volunteer opportunities include recruiting & training contestants, fund raising, working backstage during production, program book design, & coordinating lodging for out of town guests.
